Here is the Minuet again, this time with a challenging bass accompaniment. Practice the bass notes alone before playing the Minuet with hands together.

Minuet

From the Notebook of Anna Magdalena Bach

Andante

Imagine yourself at a ball in the 1700s, dancing the ceremonious Minuet. Visualize men in waistcoats and breeches, with white powdered wigs, and graceful women in silk brocaded gowns with bell sleeves and hooped skirts over layers of petticoats. Let your music emanate from this grand ballroom.
